The “Fun Shoot” last month was in my opinion a rousing success. We had a fair turn out of shooters and just a terrific day, terrific time, terrific meal and even made some money. Just for those of you that who didn't make it did I mention it was really terrific. It has been asked if we could have a few more shooting events this coming year. I for one think it would be a good thing, what are your thoughts?

Action Pistol is moving indoors and to Wednesday night's starting this Wednesday October 3rd at 6:30 p.m. . There will be 22Cal. Mini Pins, Re-Active Pins, Knockdown Race Re-Actives and IDPA Scenarios, the nights shooting attendee's can decide what they would like to shoot until we get a regiment going.

Membership Dinner: Dinner and a Membership! The annual Membership Dinner will be held on Saturday, October 20th at the South Haven Moose Lodge located at 1025 E. Wells St., Doors open at 6:00, Dinner at 7:00. raffles, prizes, drawings, a great Prime Rib or Chicken Dinner and a chance to visit with friends and maybe win a gun or two before Steve Perkowski wins them all. There is still time for advance registration, send in the flyer you received last month or go to the club website(www.shrgc.org) and complete. Come on out and bring along someone who might be interested in the club (not to mention your spouse or significant other).

E-Mail Addresses: Please email the club contact at the website and supply us with your e-mail for “up to the minute” information regarding club events and news. It really would benefit the club if we could let you know about last minute events or work days. Your input and participation is always welcome.

Trap it seems is pretty much over until January when Sunday Morning Breakfast and Trap starts. If you think there is still some interest in shooting on Sundays the rest of this year, please come to the meeting or let us know, something can be arranged.

Sight-In Day is coming up and will be discussed at this months meeting, we'll be looking for some volunteers and any organizational help would be greatly appreciated. Let's get the word out to the community for none member participation too. “Remember everyone who visits is a potential member”

Rifle Range Steel targets need frames to be hung from. If anybody knows where we can get our hands on some pipe for this task let us know, it would be great to have them up by the Sight-in Day.

A Free Membership is going to be drawn from the sign ups at the monthly meetings so attend and sign up to win.

Next Membership Meeting: Monday October 8th 7:00 P.M. “Be There or be Square”
