With the holidays behind us and Santa having brought all us good little boys and girls fun stuff to play with, it's now time to get to get busy and see what can do on the club level to make it a good year.

Election of Officer's were held in December with the following results; Dan Hosier President, Jim Emenhiser Vice President, Dave Overhiser Treasurer, Dave Wiatrowski Secretary and Trustees Doug Perry, Walt Harry and Vern Hosier. Please give these guys your support and if you have any matters regarding club issues or activities you would like to discuss, I'm sure that they would be interested in hearing them.

John Arends who many of you have had the pleasure to run into around the club passed away this last month, our condolences to his family. John was always there to help and was an avid trap shooter who has ramroded the Wednesday Night Trap for some time. He will be missed, he was one of the "good" guys.
