**CCW Classes** for anyone interested or of anyone who may have a interest call Dan Hosier 269-214-6727 or email [hozy59@comcast.net](mailto:hozy59@comcast.net)

**Sunday Morning Breakfast** has ended for the year. A really big THANK YOU to Walt and the gang for putting on this fine event for the club, the food was terrific and conversation interesting, to say the least. If you didn't make it out you missed a good time and besides the proceeds are going toward the "Building Fund"

**Action Pistol** continues on Wednesday night's starting at 6:30 p.m. Come by and bring a friend, the water's fine and we have a good time, yes that includes the ribbing and heckling of the score keeper. You don't even have to be a good shot just ask me, if your afraid to try put your fears aside, we're just here to have a good time and become more familiar with our handguns.

**S.W. Michigan Friends of the NRA Dinner Event** was held on March 28<sup>th</sup> at the Van Buren County ISD Conference Center with a packed house. I saw a few SHRGC members in attendance, it was great to see the support for such a worthwhile cause.

Last month I made a error when I wrote about the fishboil before the meeting, my apologies. However Dan has assured me that there will be dinner before this meeting, I'm not sure what that means but you have to be there to find out. We will have another boil soon since I have fish in the freezer that needs to be gone to make room for this years catch.

**WildGame / FishFry Dinner** is being held Saturday April 26<sup>th</sup>, 7:00 p.m. for a donation of \$5.00 per person. Please attend and bring a friend to this event. If you wish to bring a dish to pass or desert, that would be greatly appreciated. Remember Proceeds go the Building Fund.

**Club nights** are the 4<sup>th</sup> Thursday and 2<sup>nd</sup> Friday of the month, for those who are interested in a little cards and conversation in front of a crackling fire. Bring your beverage and snacks and of course clean the change off your dresser. It's a fun night.

**Range and Grounds Cleanup** is scheduled for the 19<sup>th</sup> and 20<sup>th</sup> of April with any remaining cleanup to be done on May 3<sup>rd</sup> & 4<sup>th</sup>. This is a call to all to come out and help clean up the grounds and range items, REMEMBER a lot of hands make light work and even if you don't use the outdoor ranges they are club property which you are a part of so please take the time and lend a hand.

**Sunday Clays** this season has a leader, Jim Fisher has again volunteered to ramrod this event each Sunday starting April 7<sup>th</sup>. Stop by and shoot a few rounds of trap or sporting clays, it's a lot of fun.

**Next Membership Meeting** will be April 14<sup>th</sup> at 7:00p.m.

Note: Full metal jacketed bullets on the indoor range is a no, no and may be hazardous to your (or another shooters) health.

*"Ask not what your club can do for you but, what you can do for your club."*
