

**South Haven Rod and Gun Club News letter  
February 2024**

**Questions of the month.**

What would you like to see from the club?

What improvements would you like to see?

Would you be open to a Sunday eve banquet at a new bigger location?

**In case you don't look at the Calander.**

Sunday mornings 8am-10:30 breakfast.

1st and 3rd Tuesday is centerfire action pistol.

2nd Monday orientation for new members 6pm. Membership meeting at 7pm

2nd and 4th Tuesday **Ladies only** action pistol.

1st and 3rd Wednesday .22 rifle shoot 5pm

2nd and 4th Saturday Youth Archery 10am-noon. **Free for kids**

2nd and 4th Saturday Youth .22 Rifle 12:30-2pm. **Free for kids**

**What the Board would like to do.**

Start fundraising for a office/storage addition to the clubhouse. Move targets out of indoor range, to make the club room less cluttered, replace carpet and furniture in the club room to create a better gathering space.

We have had a good turn out for the Youth Archery. This past Saturday we hosted 14 girls and 1 boy. Come on boys, don't let the girls show you up! The membership voted at the meeting that this will be a **FREE** event for kids.

Youth .22 rifle has had 9 kids. Now **FREE** to kids. Donations are welcome to pay for ammo.

Acton centerfire pistol has had 6 people and room for more.

Ladies action pistol has had 12-14 participants each week and they have been having fun.

This club does not function without you, our members.

Come to monthly meetings and voice your opinion. Come to the Sunday breakfast to support the club, cheapest breakfast you will find in town and less of a wait.

Come shoot! The ranges and shooting events are very under utilized.

Don't forget, the club is a FFL holder. You can purchase a gun online and have sent to the club for transfer. The club also has websites posted in the club room that you can purchase items at discounted rates.

**Hunter Safety coming 4/12-4/13 watch the news letter for updates and sign up.**

Keep an eye out for an email with a survey about moving the banquet to a new location and day.

Welcome new members. William "Willie" Dubas, James Lindemulder, Brian Ridley, Brian Rigozzi and Kevin VanAllen. If you see them be sure to welcome them. if you see someone you don't know, introduce yourself. You may just find a new shooting partner!

**Lastly a tip for gun owners:** Do you have all of your guns serial numbers, make, caliber etc. and purchase price (even though you don't want your spouse knowing what you paid) written down and stored separate from your guns? In the case of fire, theft, or worst case death these will come in handy. Some insurance agents even recommend pictures that can be stored on a USB drive. I personally have mine in my fathers safe and I have all of his.

**This is just a start to a monthly newsletter. I am hoping to have articles, more info of events and pictures of events going forward.**
