

Handgun Shelter Construction Workdays

We will be starting construction of the Lower Range Handgun Shelter Saturday September 14th at 8:00 a.m., and of course we will be **NEEDING YOUR HELP** to get this project underway and completed. We need all levels of skill and help with this major project, so if you feel you have nothing to contribute, you're wrong! Any help will be appreciated, all hands are needed.

The following is a list of needed tools if you have one and provide please bring them. If I forgot something, bring it.

Shovels

Sledge Hammer

Hand tools- hammer, pencil, square

Chalk box/snap line

Level 48"

10"-12" Miter saw with stand

Cordless Drills, Impacts with bits

Circular saw

Chain Saw gas or electric to cut poles to length

½" Drill

Slap staplers

Sawhorses

8' Step Ladder

Extension Ladder

GENERATOR

Extension cords

Nail guns, hoses etc.

If you have ANY questions please call Dave 269-767-1078
